BABY SWISS

Creamy Texture with a Tangy Bite

These delicious cheeses melt readily on burgers, in grilled sandwiches, and in fondue. They also make a great snack all on their own.

BABY SWISS has a mellow tangy Swiss flavor.

SMOKED BABY SWISS is natural hardwood smoked to add depth to the flavor.

Awards

2008 Los Angeles International Dairy Competition Bronze Medal Winner

- Handcrafted
- Fresh Local Milk
- Sustainably Produced
